April 2021

Volume 59, Issue 4

Dears Members and Associate members and Friends,

I pray to God every single of you is safe and healthy. Finally, spring is here but we're still not back to normal life. No Thanks to Newsom, he works very hard to kill all the businesses, and we have thousands more homeless in the Golden state of California.

We are reorganized as a party, and united to make the Republican party stronger to fight against Liberals and socialists who are destroying this country in less than 6 months in power. We need to take the House back in 2022 to get power to the American people. This great country is worth fighting for, to keep our Freedom.

Friends:

5/22/21, Garden Lunch - we have less than 20 tickets to sell. If you need tickets, please inquire at next meeting.

7/29/2021 Celebrate America Dinner with **Graham Ledger** - conservative reporter & Emmy Award Winner. Just check Face Book, Twitter, or Podcast - he is a great speaker! Tickets will be available in May.

Memberships: Please renew - and invite your friends. Let California win again and beat all the other 49 states!

The American dream comes from opportunity. The opportunity comes from our founding principles, our core values that's held together and protected by the Constitution. Those ideas are neither Republican, Democrat, conservative, liberal, white, or black. Those are American ideologies.

CFRW Treasure / Modesto RWF Treasure & Membership secretary

Hello to all,

A special thank you to our March speaker, David Cushman! He gave a lively speech, including the importance of becoming involved in local political races. Also, the CFRW Virtual Conference was excellent! Devin Nunes, Candace Owens, and Marsha Blackburn, were just a few of the many great speakers! They gave lots of

valuable information on how we can stay involved, build our membership, promote voter registration, and so much more! Especially moving, was a beautiful tribute to Rush Limbaugh.

We are: INSPIRED, UNSTOPPABLE, AND UNIFIED!

-Julie Carroll, 2nd Vice President

APRIL FEATURED SPEAKER:

NICK NELSON

Nick Nelson is the Turning Point USA field representative for the Sierra Territory, which oversees all Turning Point USA activity in Northeast California and Northern Nevada. In spring 2020 at the beginning of the COVID-19 lockdowns, Nick graduated with honors from California State University, Sacramento, which is where he was first introduced to Turning Point USA by that school's chapter in Fall 2019. Once he joined the chapter at his school, he became passionate about

defending freedom and conservative values on high school and college campuses and became a full-time employee for Turning Point USA in Fall 2020. Since starting, Nick has worked to establish Turning Point USA chapters at as many high school and college campuses as possible and to host events to engage and educate students, even under COVID restrictions. Nick's ultimate goal is to have a territory full of young, conservative students who fight for our rights and will preserve our country and what it stands for.
