HELP US MAKE A DIFFERENCE:

Are you concerned with the direction that our state and country is going? You can help the Republican Party of Stanislaus County (RPSC) make a difference! There are many ways you can get more involved in helping your community.

Stay in touch!

Get on our email list to stay informed about local events, volunteer opportunities, and other calls to action. It only takes a minute! We do not send excessive emails nor sell our list. You can scan this QR code or visit stangop.org/stay-in-touch.

Attend our public meetings

Hear from our guest speakers. Ask questions, meet candidates, tell local leaders what you think. Meetings are announced via email.

Get out the vote (walk precincts or make phone calls)

Encourage people to vote and volunteer. A smartphone app lets you know which homes need to be visited and lets you call voters. This increases turnout. We provide training so you will feel comfortable.

Man a booth for a few hours

Talk to the community, register voters, offer merchandise for donations. An experienced volunteer will be together with you during the time.

Be a leader

You can participate in local government even without holding office. Plus there are many elected or appointed positions in our communities. Vacancies on boards are not uncommon. We can help you grow & run.

The Republican Party of Stanislaus County is focused on electing conservative Republicans to local, state, and federal offices. We rely on the financial support of local residents of our community. You can donate by using this QR code or by visiting our website at stangop.org and clicking Donate.
